A DUAL RECOVERY PROGRAM

The Jabez Program is an integrated dual diagnosis program, servicing adults age 18 and older with a diagnosis of mental illness and substance abuse. Services are available 7 days per week, 24 hours per day.

Mission Statement

Jabez Recovery Management Services (JRMS) is working for a drug-free community: moving from illness management to life management.

Vision Statement

Jabez Recovery Management Services' representation is synonymous with drug-free living, setting the standard for excellence in Behavioral Modification. To be bellwethers in creating an environment in which recovering people thrive.

Core Values/Goals

To fulfill Jabez Recovery Management Services' mission and vision, we adhere to these core values:

- Offering understanding and hope in a **welcoming environment**.
- To deliver the highest quality services that respect the dignity of each person served: employees, volunteers, and visitors.
- Values excellence in service delivery to consumers that protects **their** confidentiality.
- To demonstrate a compassionate, caring attitude and achieve consistently caring, supportive safety-first environment.
- We are committed to being an inclusive organization where ALL people are treated fairly and recognized for their individuality.
- We believe in recognizing, understanding, and respecting differences among all people.
- Every individual at JRMS has an ongoing responsibility to advance diversity.
- Utilizes evidence-based practices; and advance diversity; and
- Pursues ongoing quality improvement for all of our systems and services.

The Casey Life Skills Guidebook Curriculum, the other focus of the Jabez Program, represents a competency based learning strategy. The guidebook provides an indication of life skill level and readiness for living on one's own and independently with others. The guidebook and learning resources, while not exhaustive, help with goal setting, action planning, instruction, learning and application. In using the guidebook, it is critically important to keep the central role of the person getting ready to live on his/her own in mind. Jabez staff will be supporting the guidebook activities on a daily basis both in our facility and in the community.

Help with financial management, education and job skills etc.

**Collingwood House
2755 Collingwood
Detroit, MI 48206**

The combination of both the substance abuse didactic curriculum, 12 step involvement and life skills training at Jabez Home will make a significant difference in the individual's road to recovery. Our staff will be able to teach and guide them through the difficulties inherent in making significant changes in their life patterns on a 24/7 basis. Our hope is that at the end of the program, the consumers will be able to **move toward positive goals** like employment, home rental or ownership, new educational goals, etc.

BEHAVIOR MODIFICATION, COACHING RECOVERY AND A QUALITY INDEPENDENT LIVING PROGRAM

The Jabez Program will focus on the following clinical areas:

- § Relapse prevention techniques
- § Family intervention
- § Peer Support
- § Life Skill building
- § Didactic groups regarding dual diagnosis issues

Program highlights include:

- § Family Intervention
- § 24 Hour access
- § Family/Individual Education
- § Implement treatment plan
